

Heartland

Serving your restaurant with amazing business solutions.

With Heartland on your side, we guarantee your restaurant will be equipped with the best payments, payroll, point-of-sale, customer engagement and lending products in the industry.

Product features include:

Payments:

- **Contactless Payments:** Enhance your diners experience from ordering to checkout with quick, efficient and secure technology.
- **Mobile Payments:** Accept mobile payments in minutes right on your phone or tablet in two easy steps.
- **EMV Speed and Security:** Process EMV card payments 4 times faster than the industry average while keeping customer data secure.

Payroll+HR: Reduce administrative tasks and ensure your business is compliant with Heartland's payroll processing and HR administrative tools.

Point of Sale: Choose from a full stack of restaurant management platforms allowing you to capture, view, analyze and take action based on your needs.

Customer Engagement:

- **Analytics:** Leverage your restaurant's data to predict and understand guest behavior with an easy-to-implement and powerful system that efficiently compiles information in a way that's useful to you.
- **Gift+Reward Features:** Attract new customers and turn patrons into loyal fans with customer engagement solutions.

Lending: Secure loan terms and rates with one of Heartland's reputable lending partners.
